

# Pablo III - Got To Know Somebody Lyrics

Heading out to Hollywood  
So tired of my neighborhood  
I'm gonna be a movie star  
And see my name in lights

Standing in the agency  
But nobody would talk to me  
Because I was not roalty  
I'd have to wait in line

*Running out of reasons  
Thinking about leaving  
California dreamin'  
Is not what it seems*

**Got to know somebody who knows somebody  
Who knows somebody to be a star  
Got to know somebody who knows somebody  
Who knows somebody to be a star**

Tried to get into a club  
The bouncer man told me to stop  
And go away cause I was not  
Allowed to be inside

Believe me I have tried to be  
A part of this society  
If Hollywood's declining me  
Then I must play the part

*Running out of reasons  
Thinking about leaving  
California dreamin'  
Is not what is seems*

**Got to know somebody who knows somebody  
Who knows somebody to be a star  
Got to know somebody who knows somebody  
Who knows somebody to be a star**

*Heading out to Hollywood  
I'm gonna be a movie star  
California dreamin'  
Is not what it seems*

**Got to know somebody who knows somebody  
Who knows somebody to be a star  
Got to know somebody who knows somebody  
Who knows somebody to be a star**
